Jim - Please check with Joe. I know he can't be there, but perhaps the local rep can attend. Thx.

TCC advised that the shutdown is tentatively moved up to mid-day tomorrow. The joint meeting to discuss the shutdown particulars is tentatively scheduled for tonight at 7. TCC is asking that this be kept confidential to keep employees on their shift for the process.

Mike - any way to reach out to the EPA on scene coordinator to attend either tonight's meeting or tomorrow's start of the closure? Let me know if you need me to do anything on that end

Terri
